## Why Funeral Planning Makes Sense

There are many reasons to preplan and prefund your funeral.  
**Here are the top ten:**

**1 Peace of mind**

Knowing your wishes in advance will ease the burden on your loved ones.

**2 Financial security**

Prefunding eliminates the stress associated with funeral payment and other final expenses.

**3 Option to pay over time**

When prefunding, you can set aside funds in convenient periodic payments.

**4 Known price**

Outlining your funeral plans in advance allows your family to know what the cost will be.

**5 It's transferable**

If you should move out of state, or simply choose another funeral home, your Advance Funeral Plan can transfer with you.

**6 Exempt asset**

Funds set aside to pay for future funeral costs can be set up to be exempt from consideration as assets in the event you need to qualify for public assistance.

**7 Together, not alone**

Your loved ones won't be left to make all the decisions on their own as to what you might have wanted.

**8 One call**

Once you have preplanned, a single call can set the process in motion in most cases.

**9 Preserve your independence**

Like most people, you cherished your independence during your lifetime. Preplanning protects your independence even after you are gone.

**10 Personalization**

Preplanning allows you to choose how you would like your life celebrated and how you want to be remembered.
